Overland High School Baseball Team Letter 2022-2023

This letter is with the intent to educate the parent as well as team members of the requirements and sacrifices needed to represent their school in an extra-curricular team sport. Most of all, it is my purpose to convey to the parent and players that the theme of high school athletics is a training ground for development of physical skills, team concept, and character. School and education should always be more important than any extra-curricular activity. It is a privilege to participate in a team sport that represents Overland High School.

Player Expectations

All players are expected to honor the rules and regulations outlined in their student handbook, including the Cherry Creek Schools District Hazing Policy. Any violation or action that would disgrace the school, team, or team member could result in a disciplinary action or dismissal from the Trailblazers Baseball program. Problems in the classroom during the season may also merit disciplinary actions.

Practices will be held Monday – Friday from 3:50 pm to 6:00 pm or dusk and as well as some Saturdays. All players are required to maintain our field after all practices and assigned games. We will provide a schedule of the games and team rosters once available. If a player is unable to attend a practice or game, they are required to inform the Coaching staff as soon as possible and before the date of absence. We ask that you try to schedule appointments before or after practice.

There are financial obligations that accompany playing school athletics. There is a required district participation fee of \$90.00 (unless you qualify for a fee waiver). All school/district fees are to be paid to the Athletic Office. A player cannot participate in a game until all fees are paid. Jerseys will be provided by Overland Trailblazers Baseball program and are expected to be returned at the end of season. Players are responsible to launder and care for their uniform. Players are expected to wear full and complete uniforms for all games and practices. Practice apparel must include baseball pants, Navy or Kelly-green top, Navy socks, cleats, and Overland Baseball cap. The players will need to supply their own cleats, gloves, catcher's equipment, bats etc. In addition, the players are required to purchase an official team/player (on field) cap. Varsity players will be required to purchase a secondary game cap. **Baseball caps** can be purchased through the Trailblazers Baseball Community Club at a cost of \$25.00 each.

High School Baseball and Overland Baseball Community Boosters

The Overland Baseball Community Boosters supports the Overland Trailblazers High School baseball program in several ways. With school district, athletic budgets at almost non-existent levels, it is imperative that our Baseball Community Boosters (**the parents**) support our High School baseball program. The OBCB is a **volunteer parent driven** baseball booster program. The sole purpose of our boosters' program is to support players in their development throughout their high school baseball years. OBCB has several key responsibilities that support this sole purpose. These responsibilities include, uniform purchases, equipment purchases, baseball field maintenance, sign contracting, merchandise sales, snack shack sales, fund raising, and scholarship programs. The Diamond Fee of \$125.00 will be collected from each player at Spirit Day to support and enhance the baseball program each year. The OBCB is proud to sponsor Overland Trailblazers Baseball's annual Spirit Day breakfast which officially starts a new season of baseball.

The undersigned, _____ and _____ (collectively "Parent"), are the parents of _____ ("Player").

Our address is _____

Parent has carefully reviewed the Player-Team Contract ("Contract") between Player and the Overland Community Boosters Club ("Team") and understands the terms of the Contract, including Player's financial obligation under the Contract. Parent guarantees unconditionally the prompt payment of all fees and costs assessed to Player by the Team for Player's participation in the Team's baseball program, as set forth in the Contract, when such fees and costs become due, whether at maturity, by acceleration, or otherwise.

Parent further agrees to pay all costs and expenses, including attorney's fees, incurred in the collection of fees and costs under the Contract and in the enforcement of this guaranty. No delay in the enforcement of the payment of such fees and costs, and no delay or omission in exercising any right or power under the Contract executed between Player and Team, shall affect Parent's liability. The liability of the undersigned on this guaranty shall be direct and not conditional or contingent on the pursuit of any remedies against Player. Parent expressly waives presentment, protest, demand, notice of dishonor or default, notice of acceptance of this guaranty, and notice of any kind with respect to the performance of the obligations under the Contract. Parent consents to be bound by all the terms and provisions of the Contract.

Summer Baseball / G5 Baseball

We are developing players who are often overlooked.... who just need to be looked over? G5 Baseball training is expanding rapidly. We put major focus on minor changes and create player improvement. Our Program is perfectly developed for ages 13-18yrs old. G5 Baseball teams will participate in the Colorado Classic Summer League & showcases. G5 Baseball aiming for Regional and State titles. Small position specific groups – believing in multi-sport/ multi-position athletes. Team concept/ culture will be covered in a full team environment. Trailblazer Baseball summer Program has advanced players to: Lamar University, Beloit College, UCCS, Concordia University, Otero Junior College, Los Medanos College, Northeastern Junior College, Augustana University, Colorado Mesa University And many more

Summer cost TBD May-August

Each player is asked to help the program move forward. ALL players perform maintenance of the field. We will have field clean-up day, date **Mar 5, 2022**, after practice to help prepare for the 2023 season. Also, each player is asked to fully participate in baseball program fundraisers. The money will be used to purchase new equipment, uniforms, etc., as needed.

Student athletes must also return forms verifying proof of insurance coverage, a current physical examination (current within the last year), emergency medical information, and a standard contract and a disclosure for this letter before they can play in a game. A physical examination can be obtained from your personal doctor or may be offered through the school. Try to schedule them early before the first game. You must have all forms returned and your physical completed before you can try-out for the program.

Please visit [2022-2023 Overland Baseball Registration](#) for full details on completing the registration process.

During games and practices, players are to remain with their team. If transportation is provided by the Trailblazers Baseball program, all players must leave and return with the program. At no time is a player allowed to leave the dugout to sit with parents or friends. Non-team members are not allowed in the dugouts or on the field of play and cannot be a part of team discussions. We teach our philosophy, so conflicting parent coaching can be detrimental. If you have questions or want to discuss a topic, your request must be scheduled and done before or after practice.

The Coaching staff will not discuss any matters before or after a game. Coach's decisions are made with the best interest of the team in mind. Your help and cooperation are appreciated. We are hoping for a year full of personal growth and success.
